DANCE

Who Are We?

Celebration Dance classes provide a high quality standard of training in a caring, supportive, and God-centered environment.

Classes Offered/ What To Expect In Class

Celebration Dance offers **Ballet**, **Jazz**, and **Contemporary** classes. Our class structure is based highly on the technique of each movement which allows the dancers to gain strength in muscles needed for each style they participate in, understand the terminology, and learn the movements in ways that can be built upon throughout training years.
